

Proposed Educational Records & Student Information Policy Update

[Educational Records & Student Information Policy Redline](#)

[Educational Records and Student Information Policy Update](#)

Significant General Changes:

- DCP previously had a Educational Records & Student Information Policy. But there has been some updates to the law.
- The updated policy shall be added to the DCP website. The policy will also be readily available in the Family and Student Handbook.
- Update and guidelines for when school received a **Request for Amendment to Education Records** (pg. 6-7)
- The following section has been removed **Hearing to Challenge Education Record** (pg. 7-9)
- The Policy has added: **Solicitation and Disclosure of Student Information for Immigration Purposes** (pg. 11- 13)

Proposed Educational Records & Student Information Policy Update

Outcome/ask:

- Educational Records & Student Information Policy must be updated in order for us to be in compliance with new regulations.
- Staff recommends that the updated policy be approved by the Board at this meeting.
