Re: Presidential Job Description

Enclosed for the Board's consideration is a presidential job description for the 2024 Northwest Florida State College presidential search. The proposed job description shows the difference between the version provided to the Board for the July 16 meeting and the version provided to the Board following the June Board meeting.

For discussion by the Board, the enclosed job description proposes the qualifications as: "The Board of Trustees requests applications from candidates qualified to perform the duties set out in this job description and reserves the right to consider degree or certificate attainment, work experience, and other relevant credentials and experience in the employment of a president."

The Board of Trustees approves the presidential job description, as presented.
