Description:

Lisa is one of the most dedicated, professional, honest and compassionate co-workers I have ever had the privilege to work with. She goes above and beyond her job title duties on a daily basis. With the frequent absence of our WIC coordinator, Lisa has jumped right in to do what has to be done in order for our department to flourish. The past couple of years have been extraordinary to say the least. Lisa not only participated in Covid vaccine clinics to ensure our county population was protected, she also made sure all of our WIC population was fed. Lisa increased her weekly work hours to make all of this happen. Lisa is definitely an employee that adjusts well to our ever changing work requirements and is always pleasant and reliable. Lisa is constantly coming up with ideas to make things run more efficiently. Lisa is a great co-worker and it is a honor to work with her. The county is very fortunate to have her.
