**RE: Conditional Approval Response to Notice #2024-13 INT**

Dear Director Vara:

On December 19, 2024, the Joint Legislative Committee on Administrative Rules (JLCAR) approved a conditional approval request for notice number 2024-13 INT of the Board of Mechanical Licensing Board, relative to applications for apprentice plumbers. The Board's response was due by January 21, 2025. On January 16, 2025, the Board requested a waiver of the deadline to file a response to the conditional approval, which was subsequently granted on January 17, 2025, extending the response deadline to February 14, 2025. Enclosed is a true copy of the Board's conditional approval response, which I hereby submit for review and approval in accordance with RSA 541-A:13, V(a).

I thank you, the Committee, and the Office of Legislative Services for your comments and for your cooperation and assistance with this process.

Sincerely,
