- a. The existing uses of nearby property are compatible with the requested special use.

Rather, Petitioner's requests, if granted, would actually improve the subject property and improve neighboring property values.
- d. The gain to the public if this special use request is approved would outweigh any hardship to adjacent property owners.
- e. The subject property is suitable for the requested use.
- f. The requests contained within this Petition are consistent with the Lee County Comprehensive Plan.
- g. There is a need for the proposed use of the subject property.

Dated this 21 day of June, 2023.
