CIRCUIT CLERK OFFICE REPORT
PUBLIC SAFETY AND COURT SERVICES COMMITTEE
AUGUST 14, 2023

The Circuit Clerk's office has reached out to three different companies for them to do an on-site demonstration of their case management system. We are hoping to get the demos done in September or October so we can move forward with choosing a new system.

The Chief Judge has set weekly meetings with department heads to discuss the Pretrial Fairness Act to implement a plan going forward for weekend court. We have been discussing flow charts on procedures starting from the initial police encounter to the first court hearing to pretrial detention or release. There are new court forms that have been drafted that will be reviewed and approved. All uniform citations for traffic and conservation are being changed as well. We will continue to move forward and will be ready when the time comes to hold weekend court.

Respectfully Submitted,

Amy Johnson
Lee County Circuit Clerk
