Dear Michele,

I am writing to resign as the Community Development Manager from the City of Princeton.

The opportunities provided with the City of Princeton have greatly expanded my skills and abilities. I am so grateful to have developed relationships with community members, strengthened my skills, and participated in the development of my hometown.

I look forward to the City's future, as I know the City will continue to grow and do wonderfully under your leadership.

My last available day with the City of Princeton will be Friday, July 15, 2022.

From the bottom of my heart, I thank you for this opportunity.

Sincerely,
