Changes included: responsibilities delegated to the newly hired Financial Director; specific direction and instruction regarding year-end budget adjustments; and clarification regarding County match dollars from the general fund for grant writing.

Wendy Ryerson also reported that the major revisions to the Employee Handbook dealt with the Paid Leave for All Workers Act adopted by the State of Illinois. Following are the highlights:

- ALL employees earn a minimum of 40 hours of paid leave in a 12-month period. Employees that work less than 40 hours per week earn 1 hour for every 40 hours worked.
- Employees are not required to provide a reason for the leave, therefore sick time does not count towards minimum hours of paid leave.
- The act includes full-time, part-time, temporary, and seasonal workers.
- Salaried, exempt employees are “deemed” to work 40 hours in each work week.
- Lee County must “comply with the requirements of this Act or provide benefits, rights, and remedies that are greater than or equal to the benefits, rights, and remedies afforded under this Act.”
- Bargaining contracts need to explicitly waive PLAW provisions.

Wendy went on to report that Jeremy Englund was working on a social media policy. Knowing that this will be forthcoming, some language from the Employee Handbook has been deleted, but will be addressed as part of the new policy.

Jeremy Englund reported that he is also working on a personal sensitive information policy for the County.

Lee County Sheriff's Office

Public Safety and Court Services Committee

December 12, 2023

In the month of November, the Lee County Sheriff's Office logged 858 calls for service. The county's collective bargaining agreement with the Illinois Fraternal Order of Police was set to expire on November 30th. On November 29th, the county's negotiating committee and the FOP negotiations committee met with a mediator in an effort to resolve the differences between the parties. At the end of the day, the parties reached a tentative agreement on the contract that is pending ratification by the FOP and the Lee County Board.

As far as notable calls for the month of November, the following incidents occurred...

On Wednesday, November 1st at 11:41 A.M., Lee County 911 received a call from a Union Pacific employee reporting a train versus pedestrian accident in the area of Wadsworth Way and Nelson Road in rural Dixon. The information provided was that "someone was hit by a train, and they believe this will be a fatality." The train was found to be traveling from Clinton, Iowa to Chicago, Illinois. It was carrying 81 cars and traveling between 35 and 40 MPH. After the collision, the train traveled 3/10 of a mile before coming to a complete stop. Upon investigation, a vehicle was located near the railroad crossing at the location. The vehicle was registered to 22-year-old Cassie Cantrell of Dixon, and she was later identified as the victim of the accident. A note had been left in her vehicle that described her displeasure with ongoing conflict between Israel and Hamas.

On November 11th, the Lee County Sheriff's Office held their 2nd Annual Stuff the Squad event for the Dixon Community Food Pantry. A high visibility location near the intersection of Galena Avenue and Everett Street in Dixon. Over 1720 pounds of food was collected along with \$1657.00 for donation to the food pantry.

On the afternoon of November 13th, the Lee County Sheriff's Office was contacted by the Lee County Circuit Clerk's regarding a phone call that they received from an irate citizen over an order of protection being issued against them. During the conversation with two employees of the Clerk's Office, the subject made statements that they were going to the house of a judge and bringing a gun to the courthouse. The subject was identified as Timothy Ballard, age 39, of Dixon, and he was recently

served with an order of protection. Further investigation was conducted, and Ballard was charged with two counts of Falsely Making a Terrorist Threat (a Class 1 Felony) and two counts of Disorderly Conduct – False Reporting (a Class 4 Felony). The charge of Falsely Making a Terrorist Threat is punishable by 4 to 15 years in the Department of Corrections. The case is pending in Lee County Case Number 23 CF 253, and Ballard was released from custody on December 7th pursuant to pretrial release provisions.

During the County Board Meeting on November 21st, Telecommunicator Dylan Ehlers and Deputy Alejandro Castro were awarded the Life Saving Award for their exemplary performance during a medical call from August 11th. At approximately 10:25 p.m. on that date, Lee County 911 received a call regarding the electrocution of an individual in the 1100 block of White Rock Drive. The individual was unresponsive, and the bystanders did not know how to perform CPR. Telecommunicator Ehlers provided step by step instructions to the bystanders on performing CPR to the 52-year-old victim. T/C Ehlers continued coaching and supporting the bystanders with CPR instruction until the arrival of Deputy Alejandro Castro. Deputy Castro provided further directions for CPR while affixing the paddles of his department issued AED to the victim. Deputy Castro subsequently took over CPR and the AED advised him to deliver a shock to the patient. A shock was delivered, and CPR was continued until medical personnel from the Dixon Rural Fire Department arrived. The individual was successfully revived and is alive today because of their performance.

On November 30th, the Sheriff's Office lost a lot of experience and knowledge with the retirement of Lieutenant David Glessner. He served over 28 years and 8 months with the Office and has been a mentor to many along the way. We thank Lieutenant Glessner for all of his service to the community and wish him well with his future endeavors.

On December 9th, the Lee County Sheriff's Office and the Dixon Police Department teamed up with our annual Shop with a Sheriff / Shop with a Cop event. There was a morning and afternoon session in which children were able to obtain approximately \$150.00 in gifts. The Sheriff's Office assisted 46 children in total, and the event is funded by the Lee County Fraternal Order of Police – Lodge 220.
