Memo

To: Board of Trustees
From: Dr. Devin Stephenson, President

Re: Solicitations Listing

The attached spreadsheet shows the progress of College solicitations. The College requests approval of the following:

Arena Foundation Landscape Project

Northwest Florida State College will issue a solicitation for the Arena Fountain Landscape Project to repurpose the existing fountain in front of the Arena (NV-200) as a landscape feature. The current fountain is nonfunctional. Costly renovations have been done over the last 10-12 years, and the feature continues to fall into disrepair. Regular maintenance on the fountain was expensive and time-consuming. The landscape feature would require less maintenance.

RECOMMENDATION:

The Board of Trustees approves issuing a solicitation for the Arena Fountain Landscape Project, as presented.
