Dear Friends:

Thank you very much for the \$500 Scholarship for the St. Mary's High School's Ball and Charity Auction for March 8, 2024! We appreciate your participation.

Your gift will be advertised on our website, www.stormlakecatholic.com. Nearly 300 people will attend our semi-formal fundraiser that helps us to operate our privately funded school. Your gift will help us raise much-needed funds for our school.

Again, thank you for your partnership with St. Mary's High School. We enjoy sharing information about post-secondary education institutions with our supporters and students.

Sincerely,

A handwritten signature in cursive script that reads "Father Brent Lingle".

Dear Iowa Central Community
College Board, Administration,
and staff, Thank you so very
much for your kindness, and the
beautiful plant you sent for us
in memory of our beloved Dad.
My family and I appreciate it
greatly! My Father was very proud
of me when I became an Iowa
Central employee, and I too, am
proud, to work for such a caring
and wonderful institution.
God bless you all!

The Family of

Lindquist
would like to thank you*

Perhaps you sent a Mass card,
Or sat quietly in a pew;
Perhaps you sent a floral piece,
If so, we saw it there.
Perhaps you spoke the kindest words,
That any friend could say.
Whatever you did to console our hearts,
We thank you so much -
Whatever the part.

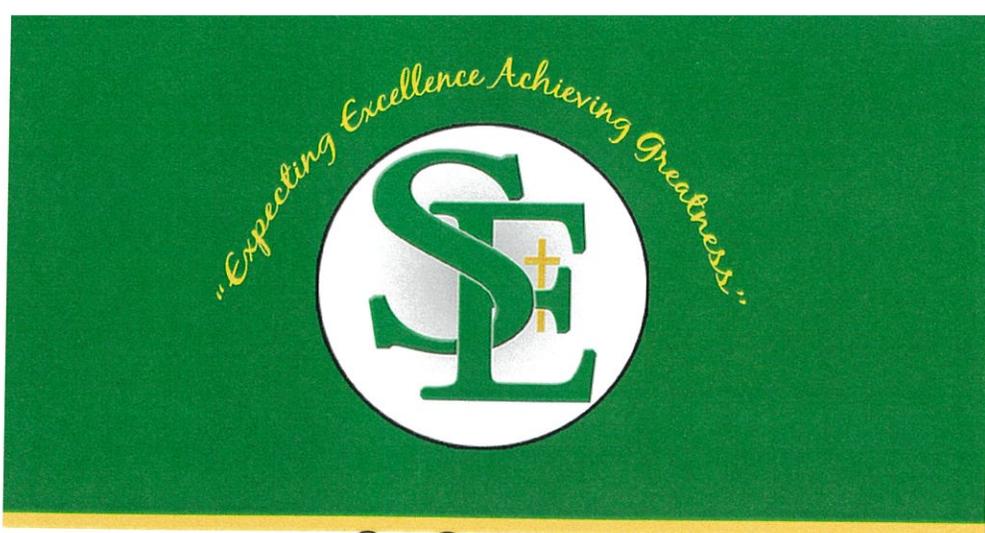

The Lindquist Family

Thank you for the beautiful
plant. Having your support helped
us through this difficult time.
