MEMORANDUM

TO: The New Hampshire Board of Nursing
FROM: Lynne Theuner, LPN, MEd, Program Specialist IV
DATE: December 19, 2024
RE: Bi-Annual Survey Manchester School of Technology

I was able to meet with Sharon Gelinias, LNA Instructor and Kerri Dutton, LNA Coordinator at the Manchester School of Technology on November 13, 2024, for the purpose of their Bi-Annual Survey.

Sharon does a fabulous job at keeping all the paperwork I needed to see in order, I had no questions or concerns regarding paperwork.

Kerri Dutton was brought into the program last year when the LNA Coordinator retired. We were under the understanding that there would be a full program at MST this year. At the last minute, Sharon Gelinias and Kerri Dutton were informed that the students enrolled in LNA for this year would be going to the Manchester Community College for their program. This announcement did result in some students dropping out of the program.

Sharon Gelinias, Kerri Dutton and I will be meeting with the MST administration on January 23, 2025, to discuss, and hopefully finalize plans for the LNA program to be conducted at MST during the 2025-2026 school year. The administration has been informed that if this does not happen, the LNA program may be in jeopardy.
