MEMORANDUM

TO: The New Hampshire Board of Nursing
FROM: Lynne Theuner, LPN, MEd, Program Specialist IV
DATE: December 19, 2024
RE: Bi-Annual Survey Seacoast School of Technology

I met with Catherine Kazazian, RN, LNA Program Coordinator at the Seacoast School of Technology, a building operated by Exeter High School. Catherine is still a relatively new Coordinator and is doing a great job creating a sense of excitement regarding becoming LNA's in the students she teaches. We spoke in great length of the possibility of doubling the program in the next school year.

All records that I requested were easily available and in perfect order.

I would recommend that the New Hampshire Board of Nursing grant the Seacoast School of Technology's LNA Program and additional two years of operation.
