Description:

I chose to nominate Lisa for many reasons, but most importantly for her dedication to our department and her community. She is extremely reliable, punctual, and is always willing to fit her schedule around her clients' needs without a second thought. She truly cares about the people she helps and they have nothing but good things to say about her. Not only is she a great nurse to her clients, she is also the kind of person you want to work with. Any time we have been short staffed or needed direction, she steps up to cover for others and shows new employees the ropes. It's easy to feel comfortable and ask questions, as she explains things and treats you in a way that is never condescending. Lisa is versatile and always willing to help, whether at work or outside of work. She has helped keep the department running while being a good friend and support to her clients and co-workers. That is what makes her an exemplary employee.
