Subject: Psych 301/ 305 Proposal

Good morning,

I was altered to the use of the term 'Praxis' in this proposal and wanted to suggest that you perhaps not use the proper name of a test as the State Board of Education has recently approved tests from Pearson for educator licensure purposes and 'Praxis' is an ETS product. I am reaching out as educator licensure is one of my programs.

I am happy to explain further if needed. Thank you! -Steve
