Good afternoon,
Thank you for providing the information. I will submit this to our Board Administrator for the Psychology to determine if the board would like to review it. We appreciate your patience.
Kind regards,

Jenna Hallee
Licensing Supervisor

Dear State Psychology Board Representative:

My name is Elliot Lasson. I am a Licensed Psychologist and the Chair of APA Division 14's (Society for I/O Psychology/SIOP's) Licensure Certification, and Credentialing (LCC) Committee. My portfolio includes keeping tabs on the licensure landscape for I/O Psychologists. While this is a specific niche, a similar issue is licensure is relevant for other General Applied Psychologists (GAP's). That is because most states will have processes geared to Health Services Psychologists (HSP's). So, I have been actively involved in pathways to licensure for I/O's and other GAP's.

In my capacity of being a SIOP committee Chair, I receive regular inquiries from early career I/O's about how to navigate the path to licensure. Having just returned from the ASPPB Annual Meeting, I convened conversations with reps from different states about these issues, as they will similarly get inquiries from I/O's about licensure.

One jurisdiction has already invited me to make a presentation on this to its board. So, in that vein, I would offer to schedule others. Please let me know of your interest in a similar presentation. Based on demand, I can figure out how many of these presentations to schedule.

Thank you.

Elliot Lasson
