## Memo

To: Governing Board for the Collegiate High School

From: Dr. Devin Stephenson, President

Date: May 21, 2024

Re: Collegiate High School Updates

---

Collegiate High School hosted a Showcase for new, incoming students on Wednesday, April 24, from 5:30 p.m.-7 p.m. More than 300 parents and students attended. Parents and students toured both Collegiate High School buildings, viewed activities occurring in each classroom, learned about clubs, and toured the ESports and Robotics Team rooms. It was an amazing turnout! We are looking forward to an incredible 2024-2025 school year with engaged, supportive students and parents.

With the best being CHS's standard, out of ten students named to NWFSC's 2023 All-Florida Academic Team, five are CHS students. These CHS students are Morgan Cooper, Grady Randolph, Genesis Jimenez-Chavez, Mary Vanderkooy, and Connor Kilroy. These students will be honored for their achievements at an All-Florida Academic Teams Awards Ceremony on Friday, March 31, 2023, in Orlando, Florida sponsored by the Florida Department of Education and the Florida College System Foundation.

We are proud to announce that 31 out of 32 CHS 9<sup>th</sup> grade students in the AS degree program passed their Mechanical Measurement Industry Certification. We want to thank Shera Gill, Director of Advanced Technology and Applied Science, for all her hard work with these students.

Sixteen CHS students were published in this year's Blackwater Review, unveiled in April. Published for writing were Piper Hall, Zeyna Kostur, and Kara Crowther and for art was Zeyna Kostur.

CHS was chosen to participate in the Highest Performing Schools Survey conducted by the Florida Charter Institute. We are honored to be chosen as a participant based upon outstanding performance.

CHS events have concluded for the year including Capstone Projects, Prom, and CHS Awards Ceremony.

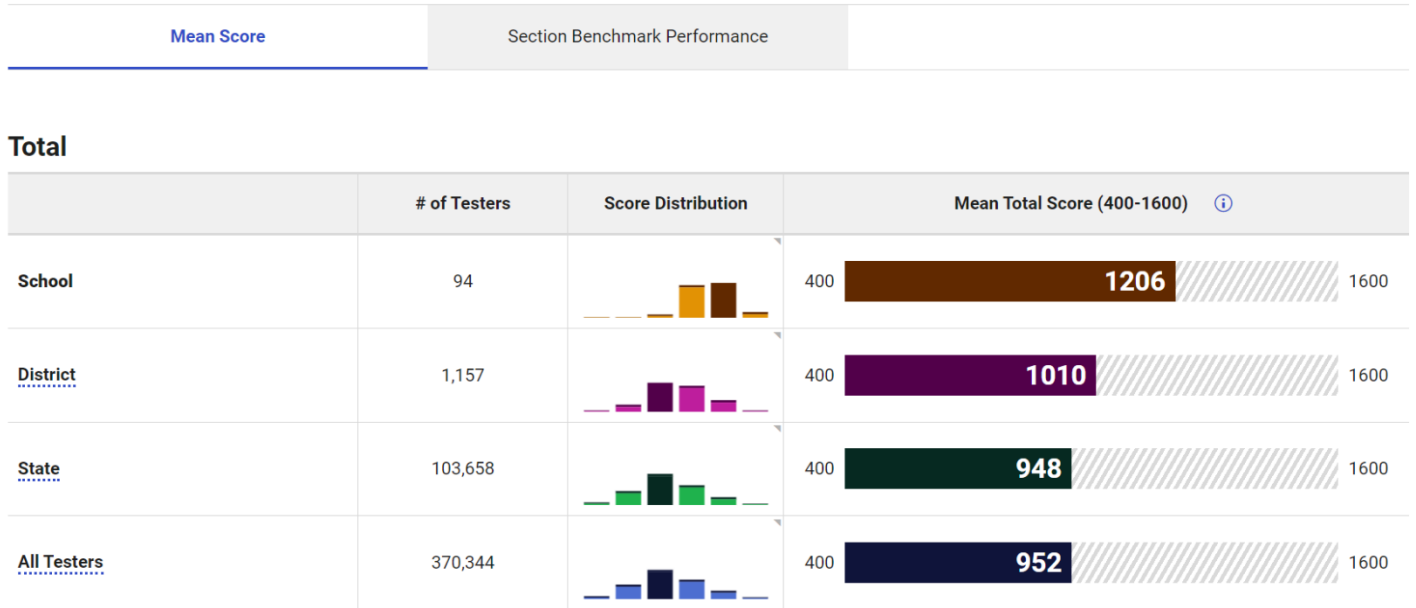

Wednesday, May 22, is CHS Gradation Day! We hope to see all of you at the Mattie Kelly Arts Center at 7pm.

The chart below represents 11<sup>th</sup> grade SAT score comparisons.
