RAWLINS, WYOMING**

POLICIES AND PROCEDURES

Section IV – 4 - JJ Senior Citizen Tuition Waiver

The Senior Citizen Tuition Waiver may be provided to senior citizens residing within Carbon County School District #1 who are age 60 years or older to allow these students to enroll in one three-hour class at Western Wyoming Community College per semester. The waiver only applies to the tuition, required fees, and academic support fees. Senior citizens are required to pay all course/laboratory fees, technology fees, textbooks, and other expenses that may be required for the course, at the time of registration.

Courses may be taken for credit or audited. Students wanting to audit a course can only choose this option during the initial registration period.

The waiver must be requested by the student at the time of registration. Students who qualify for the tuition waiver must show proof of age via an official government issued photo identification to CCHEC's Student Services Specialist. Students may also be required to provide proof of residency. Students who qualify for the tuition waiver must follow the same entrance requirements as students whose fees are not waived.

The Board of CCHEC will visit this policy annually to set a funding limit. In the event that there are more applicants than available funds to accommodate them, reimbursement will be made on a first come, first served basis.
