SUBJECT: Approval to enter into an Emergency Department on-call Coverage and Inpatient Services Agreement for Otolaryngology at the 75th percentile.

BACKGROUND

Broward Health Medical Center (BHMC) is requesting approval to enter into contractual agreements for Otolaryngology on-call services. BHMC has documented and objectively determined there is a legitimate business purpose for the services of qualified physicians to provide services in the specialty of Otolaryngology.

BHMC is designated as a level one Adult and Pediatric Trauma Center for Emergency Services. Hospitals are required under EMTALA to provide evaluation of management of patients presenting to its Emergency Department. BHMC has a need to contract with the group/physicians to provide uninterrupted on-call availability for its emergent patients.

ACTION/PROJECT DESCRIPTION

Broward Health is requesting that the Board of Commissioners authorize the district to continue with paid Emergency Department on-call Coverage and Inpatient Services Agreements for Otolaryngology at the 75th percentile. An independent third-party appraisal report determined that the proposed arrangements are commercially reasonable, and the compensation is within fair market value.
