

EXECUTIVE SUMMARY

Recommendation that the Broward College District Board of Trustees authorize the standard agreement (purchase order) with the Florida Police Chiefs Association for membership dues and renewal for FY 2024-25 for the Public Safety Pathway/Institute of Public Safety. Fiscal Impact: \$50.00, Cumulative amount: \$0.00, Revenue: \$0.00

Presenter(s): Jeffrey Guild, Vice Provost of Academic Affairs

1. Describe the purpose of this purchase of goods, services, information technology, construction, or use of space. The purpose and benefit of this membership is to keep up to date with the Florida Law Enforcement Agencies around the state. As a member, the Dean of the Institute can communicate directly with Florida Police Chiefs and Sheriffs around the state to determine the best course of action regarding Institute training and discuss any topics brought forth by the Florida Department of Law Enforcement and the Criminal Justice Standards and Training Commission.

2. Describe the competitive solicitation method used or, if none, the exemption relied on for bid waiver. Small purchase for Category One (\$0.00 - \$10,000) per College Procedure A6Hx2-6.34 was used, where there are no formal or informal competitive requirements for goods and services acquired by the College at this dollar threshold. Membership dues, per the Florida Statute 119.01(3) requires that all financial, business and membership records held by the organization in relation to the individual(s) or organization(s) for whom a purchase order is being issued are to be considered public records and shall be subject to the provisions of Florida Statute 119.07.

3. Describe business rationale for the purchase and how it was procured.

(A) What is the benefit of the purchase. If there is an ROI, describe the ROI and how calculated. As in the past, the ROI has been exceeded since the knowledge and insight gained while attending member meetings is invaluable to developing the training at the Institute.

(B) How does the purchase support the Strategic Business Plan. This membership directly feeds the Student Development portion of the Strategic Business Plan by collaborating directly between other Florida Agencies around the state and the Institute to develop academy training to provide the best-in-class student experience.

(C) If applicable, what is the rationale for the use of piggybacks, existing contract extensions, bid waivers in lieu of the College conducting a competitive solicitation. Not Applicable

(D) If a competitive solicitation process was conducted by the College, describe the process. Not Applicable

4. Did the vendor amend Broward College's legal terms and conditions [to be answered by the Legal Office] if the College's standard contract was used and was this acceptable to the Legal Office? The General Counsel's office has reviewed the agreement and any deviation to the College's standard terms has been deemed acceptable.
