

BOV • COMMITTEE ON STUDENT EXPERIENCE • FY25

Bylaws of the Board of Visitors Committee on Student Experience:

The Committee on the Student Experience considers and makes recommendations on matters affecting the University's intercollegiate and recreational athletic policies, plans, and personnel, as well as student life, discipline, extracurricular activities and physical and behavioral health. The Rector may appoint a faculty member and student, as detailed in Section V.B.5. and 6., to the positions of non-voting faculty and student committee representatives. The Committee meets on a regular basis with student representatives of the University designated by the President of the Student Assembly. The Director of Athletics and the Senior Vice President for Student Affairs & Public Safety staff the Committee.
