

# Princeton Fire & Rescue Dept.

## Memorandum

**To:** Mayor Walker and City Council

**Date:** 01/10/2023

**From:** Fire Chief Ron Lawrence

**Regarding: REP Letter of Agreement (LOA)**

Mayor and Council,

I am respectfully asking the City to accept this LOA for our Radiological Emergency Preparedness (REP) program. I believe that we may signed a similar agreement in the past but it has been a few years. The REP team and I met and discussed this LOA and it memorializes what the City is currently doing. The agreement documents the responsibilities of all partners.

I will be present for any questions.

Thank you.
