Dear Dr. Stephenson,

In keeping with Standard 14.1 (Publication of Accreditation Status), I conducted a review and found that the SACSCOC accreditation statement accurately represents the College's accreditation status. Further, the review confirmed that the College publishes the name, address, and telephone number of SACSCOC, per SACSCOC's requirements and federal policy. The accreditation status and SACSCOC's contact information appear in the following locations:

- Current Branding and Editorial Style Guide
- Current College Catalog
- Current Student Handbook
- Current College Website

I certify this information is true and accurate as of the date listed on this memorandum.

Sincerely,

A handwritten signature in blue ink, appearing to read "PMA".
