The holidays have arrived! As we celebrate the giving season, let's take a moment to appreciate the many blessings in our lives.

On behalf of Children & Families of Iowa (CFI), I want to express gratitude for your partnership in restoring **hope**, building **futures**, and changing **lives** for Iowans in need. CFI's services have only been able to evolve and grow because of generous and philanthropic community members like you, and we are thankful for each and every donation. Thank you! Last year, CFI impacted 27,651 children, teens, and adults. Now more than ever, Iowans are in need of CFI's services.

Please consider helping individuals who are struggling with trauma and crisis this holiday season - individuals who need human kindness. Help to improve Iowans' lives by investing in CFI's services. To learn more about CFI's current services and how your contribution directly makes a difference, visit cfiowa.org.

Your support has made a significant impact, and we are grateful for your generosity.

Best Regards,

Amy Stapp-Arpy, CDO/VP of Development and Communications
