

# Princeton Fire & Rescue Dept.

## Memorandum

**To:** Mayor Walker and City Council

**Date:** 03/03/2023

**From:** Fire Chief Ron Lawrence

**Regarding: Promotions**

Mayor and Council,

I would like councils' approval for two promotions tonight.

Probationary firefighter Billy Gerold has completed all of his requirements for his probationary status and we would like to swear him in as regular firefighter. Billy has been a great asset to the fire department and came to us already firefighter trained.

Brandon Jeanotte has completed all of his requirements for the hiring process and we would like to move him into the probationary status. Brandon's energy has been noticed by the Executive Board and he is ready to start his firefighter training.

Thank you. I will be present for any questions.
