

Princeton Fire Department

Memorandum

To: Princeton City Council

Date: March 27, 2024

Regarding: Donation made to the Princeton Fire Department

From: Assistant Chief Josh Vaccari

On 03/21/2024 the Princeton Fire Department received a donation in the amount of \$2,350.00 from Tucs Equipment. The Princeton Fire Department is truly grateful for this donation.

The donation will be used to replace 2 4-gas monitors that are old or damaged, and to purchase 2 single gas monitors. These monitors are used to find hazardous or toxic atmospheres when the Fire Department responds to calls inside buildings or confined spaces.
