

# STATE BOARD FOR COMMUNITY COLLEGES AND OCCUPATIONAL EDUCATION

February 8, 2023

**TOPIC:** Board Policy 2-40, Colorado Community College System Role and Mission

**PRESENTED BY:**

Angela Gramse, General Counsel

**RELATIONSHIP TO THE STRATEGIC PLAN:**

Transform the student experience; Create education without barriers through transformational partnerships; Redefine our value proposition through accessibility, affordability, quality, accountability, resource development, and operational excellence.

**EXPLANATION:**

On October 12, 2022, the State Board for Community Colleges and Occupational Education adopted Board Policy (BP) 9-40, "CCCS Designated Statewide Service Area"; thereby eliminating geographical service area boundaries.

BP 2-40, "Colorado Community College System Role and Mission", is being revised to eliminate one reference to educational services areas, as it is written with the intent of being geographically bound in a restrictive manner. To ensure the policy on role and mission is consistent with the Board's new state-wide service area application, this term is being eliminated. No other substantive change is being recommended.

The attached BP 2-40 reflects the substantive as well as non-substantive, editorial, or conforming changes. A redline version showing the details of all revisions is available upon request.

**RECOMMENDATION:**

CCCS Staff recommends the Board approve the revisions made to BP 2-40.
