Marcus is completing his first term on ACC's Advisory Board. I am seeking reappointment so he may continue and serve a second term. In my short tenure thus far at ACC, he has proven to be a strong advocate for the college as well as a great resource for me due to his role with the Castle Rock Economic Development Council. He shares my belief in the importance of education and the opportunities it facilitates. This is evidenced and exhibited in the work he has done (having served as a Peace Corps Volunteer, Teacher, College Coach) and in his most recent work (as a Real Estate Investor and currently as a Economic Development Professional). I would like to have him continue as he has proven to be a creative collaborator and supporter of ACC's desire to be responsive and innovative.
