Self-employed all my Life... Retired

Born and raised in Princeton of 61 years.

Statement of interest:

I would like to serve on the Public Utilities Commission because I know the people of this City, I know the City, I have served on many Boards and Committee's over the years. I have the experience from owning my business in Princeton for over 35+ years, Sales and Service. I can make solid decisions with good information. I am not afraid to be challenged or to challenge with new Ideas or new concepts but mostly to make that difference that an experienced background brings to the table.

Educational and Professional Experience:

I am a Princeton graduate; I furthered my education at HTC. I am active in the City of Princeton in one form or another. I have worked with several of the Economic Development Authority's; discussing with business owners in Princeton and surrounding cities the price of their empty buildings and the rent they were trying to achieve. Ultimately what positive changes could be made to help them, and the city to move forward. This action indeed accomplished filling and/or sell the buildings in Princeton and elsewhere.

Civic and Community Activities:

I over the years I have served on, The Chamber of Commerce, The Retail Committee, The Downtown Development Committee, I was a spokesperson when West Branch St. underwent it's updating of utilities and road. I have had many discussions with the city engineer over the many city of Princeton projects. I have and continue to serve on many of our church Programs/Committee's. I am the Program Director and Advocate for the

#8571 3rd Degree Knights of Columbus Council, Princeton & Zimmerman. I am the Captain on the #2390 4th Degree Knights of Columbus Assembly. I was recently named a National Delegate for the Supreme Assembly Convention August 2019. This May 15th-17th of 2020 I will be attending the State Convention again as a Delegate.

Attendance: Yes, without a doubt. You may ask anyone that has ever served with me on any Board-Committee or action group function. I am ready and committed for what I have been elected to or signed up for. I take my commitments seriously and am readily available.

Conflict of Interest: I am not aware of any; I own several Property's in Princeton but do not see that as a conflict. If one were to occur, that would be identified immediately and brought forward to all.
