Memorandum

To: Mayor Walker and City Council

Date: 11/19/2021

From: Fire Chief Ron Lawrence

Regarding: Fire Act Grant

Mayor and Council,

I am seeking permission from the council to apply for this year's Fire Act Grant. I am hoping to obtain a grant that would purchase Storz connectors for each of the fire hydrants in our city. This would allow the fire department to hook up to a hydrant easier and quicker than our current method. The total cost would be around \$65,000.00 and the grant would be 5% matching. I would be able to take the matching amount out of my budget. I will be working with Manager Butcher and water supervisor Scott Schmit on this project.

I will be present for more information and questions. Thank you.
