KSU Management Improvement Plan Quarterly Report

**CPE Board Meeting March 31, 2023** 

Travis Powell Vice President and General Counsel Dr. Stephanie Mayberry Senior Director for KSU Relations Kentucky Council on Postsecondary Education

#### Management Improvement Plan (MIP) Progress

 Following the November 2022 adoption of the Kentucky State University Management Improvement Plan (MIP), KSU administration immediately began working to meet the objectives of the plan.

 Effective March 15, 2023, CPE engaged with Moss Adams LLP as an external third-party evaluator. While this report has been solely prepared by CPE staff, future reports will be prepared in conjunction with Moss Adams providing independent assessment on KSU's progress toward the completion of Deliverables.

#### **MIP Report Measures**

 Within the MIP, Objective Deliverables include, but are not limited to, both summative and monthly reports, awarded contracts, and information verified from KSU's accounting system. Each Objective Deliverable displays a result of Implemented, Partially Implemented, Not Implemented or Undetermined as defined below.

Implemented: KSU fully implemented the objectives through March 30, 2023

<u>**Partially Implemented</u>**: Steps toward implementation were noted through March 30, 2023; however, KSU deliverable exceptions were identified.</u>

**Not Implemented**: Evidence of implementation or steps towards implementation by KSU was not available through March 30, 2023.

<u>Undetermined</u>: Implementation could not be determined or unverifiable implementation evidence.

This report covers progress on MIP Objectives and related Deliverables from November 2022 through March 30, 2023. Although there were objectives with deadlines in November and December 2022, there were very few to provide an overarching snapshot of progress. The late 2022 objectives are included in this report. This reporting period includes sixteen (16) objectives and thirty-five (35) related deliverables across five of the eight elements of the MIP.

### **Element 2-Salary Ranges and Benefits**

| Objective  | Deliverable  | Result          |
|--|--|-----------------|
| Establish a master position list and develop<br>protocols for adding and subtracting positions to and<br>from the list                                 | Master Position List<br>and Modification<br>Policy | Implemented     |
