

Princeton Fire & Rescue Dept.

Memorandum

To: Mayor Walker and City Council

Date: 10/26/2021

From: Fire Chief Ron Lawrence

Regarding: UTV/Trailer Purchase Request

Mayor and Council,

I am seeking approval from the council to order a UTV and trailer before the CIP is officially approved. After some research, ordering a Polaris or Can Am UTV is about six months out due to the availability of parts. Trailers are also on an extended waiting period of 6-8 months. I am looking to have a UTV in service before the spring grass fire season.

I will be present with more information and to answer any questions. Thank you.

Ron Lawrence
Fire Chief
