
MEMORANDUM

TO: Mayor Walker and Councilors
FROM: M McPherson, City Administrator
SUBJECT: **April 1 Study Session; Joint Meeting with Princeton School District**
DATE: March 30, 2021

The single topic of the April 1 Study Session with the Princeton School District is the concept of a field house/community center. In addition to the School Board, members of M Health Fairview will also observe/participate in the meeting via Zoom. They could be a potential partner.

The School District would include a second, separate referendum on November's ballot to fund the fieldhouse/community center if it is supported.

Representatives from Wold Architects will be present to discuss other fieldhouse/community centers. A presentation for Thursday's meeting is attached as a second document for your review.
