Re: 2023 Florida College System Affordability Report

Affordability remains a top priority for all 28 Florida College System (FCS) institutions. The Division of Florida Colleges requests data and information related to college affordability initiatives and textbook and instructional material affordability pursuant to Florida Statutes §§ 1004.084 and 1004.085.

By September 30, 2023, each college must submit institutional responses for the 2023 FCS Affordability Report via <https://www.research.net/r/FCS2023Affordability>, the product of which is attached for your review.

RECOMMENDATION:
