Memorandum

To: Mayor Walker and Council,

Date: 11/03/2021

From: Fire Chief Ron Lawrence

Regarding: Selling the four-wheeler and trailer

I am seeking approval to sell our current four-wheeler and trailer at the Wyanett Station on an upcoming auction. Right now, the prices have been high for these two items, and we feel selling it now would possibly generate more money for them. It was determined that we could get by without these two items until we can get the new UTV and trailer in service. The money generated from the auction would go towards the purchase of the new UTV set up.

I will be present for any questions or thoughts. Thank you.
