

**DELEGATE NAMING AUTHORITY TO THE PRESIDENT
IN ADVANCE OF BOARD OF VISITORS NAMING ACTIONS**

WHEREAS, William & Mary (“the university”) regularly constructs new buildings and additions to campus grounds;

WHEREAS, the progression of planning and design necessitates the assignment of operational names to buildings;

WHEREAS, building naming serves as a strategic tool for garnering support and advancing key university priorities, with interim names disseminated among campus stakeholders over an extended period;

WHEREAS, the university has an established process, which mandates the Board's approval of final naming for buildings, structures and spaces; and

WHEREAS, names honoring particular individuals are not used as interim names;

THEREFORE, BE IT RESOLVED, that the William & Mary Board of Visitors delegates authority to the President to undertake all necessary actions to assign interim names to new construction projects prior to the Board of Visitors taking up a naming resolution recommended by the President following review by the Design Review Board.
