BACKGROUND

The North Broward Hospital District, d/b/a Broward Health is seeking to renew a two-year employment agreement up to the 84th percentile with Dr. Angelica Garzon.

Dr. Angelica Garzon joined Broward Health in 2016 and has been instrumental in the continued development and expansion of Broward Health Medical Center/Salah Children's Hospital Pediatric Hematology Oncology Program. Dr. Garzon completed a residency in Pediatrics at SUNY Downstate Children's Hospital in Brooklyn, NY in 2012. She then completed a Fellowship in Pediatric Hematology Oncology at Memorial Sloan Kettering Cancer Center/The New York Presbyterian Hospital-Weil Medical Center in New York in 2016. Dr. Garzon is an experienced, Florida licensed and board certified Pediatric Hematology Oncology physician. The program has implemented life-saving cancer treatment protocols for Broward Health's Pediatric Hematology Oncology population. A community needs assessment has shown an insufficient number of pediatric hematology oncologists to meet the current and future needs of Broward Health's service area.

As a safety net hospital, the District is obligated to provide services to meet the community needs.
