

**CITY CLERK REPORT**

**Reporting Period:** June 13, 2024, to September 13, 2024

**Prepared By:** Aubrey Wegeleben

**COMMUNITY**

New field games and an event were tested during the 4<sup>th</sup> of July celebration. The field games were well received. Although a fun spectacle, the paddle board race wasn't participated in as well as it was originally thought it might be. It is not planned for next year. There was some interest in having a run for kids 5 and under; if that is the case next year, I may look at the route from the clinic to the school, or the track from the school and back using the Polovina Turnpike extension. BIG thanks and appreciation to those hosted events (Brenda, Marfa, Robert) and barbecue (Brenda, Dustin, Ben and Fred!!). Events are simpler to pull off with involved community members. Thanks to CBSFA, we were able to have paid volunteers assist in preparing and activity implementation, they were an amazing help. Thanks to TDX for providing the plaques for the fishing derby and horseshoe tournament. The surplus of trophies in the attic was used for the races, it will likely be used to supply next year's races as well.

The Rec hall was used on three occasions. Community artists, bakers and musicians came together and put on two jubilees, and the Youth Tribal Council put on a back-to-school carnival.

The passenger ship Roald Amundsen visited twice in July. The three ships in August were not able to land due to the weather. There are two ships scheduled to visit in September.

The community Labor Day barbecue was enjoyable. People were able to come and go and socialize, and little ones were running around playing between the field and playground.

The Primary election was held August 20. There was a total of 48 regular votes cast, 1 was invalidated, and two absentee votes. All were put in the mail the following days.

The REAA and Municipal elections are on October 1, notice was put out August 26<sup>th</sup>; they will be held 8AM to 8PM in the Rec Hall. Declaration of Candidacy is open until Noon on September 16. Those who declare candidacy will have to file a Public Official Financial Disclosure form (POFD).

**HOUSING**

Transient housing was used on eight different occasions. A long-term lease for 163A was signed in August with a staff member. The City has 4 transient units in use.

**STAFF**

A retirement get together was held for Mac.

**CLERK**

Completed various tasks including sending updates to code publishing, creating, editing, and updating documents, personnel filing, communication with IT and IT assistance; Facebook updates, attended various meetings, provided support to staff, travel arrangements for Alpine electrician, and updates to local census and census requests.
