Re: Pollinator Garden Donation

Dear Ms. Hillesheim:

Princeton Public Utilities and Southern Minnesota Municipal Power Agency (SMMPA) would like to contribute \$1,204.12 to the city's efforts in establishing native pollinator habitats at Riverside-Riebe Park. Pollinator habitats offers an opportunity to improve the ecological well-being of the community and enhancing wildlife in the area. We are proud to join the City in this effort.

Sincerely,

Keith R. Butcher  
General Manager  
Princeton Public Utilities
