ACTION/PROJECT DESCRIPTION

We are requesting the Board of Commissioners approve renewing an employment agreement with Dr. Angelica Garzon with compensation above the 90th percentile.

Broward Health is requesting that the Board of Commissioners authorize the District to renew an employment agreement with Dr. Angelica Garzon, for a two-year term. An independent third-party appraisal report determined that the proposed agreement is commercially reasonable, and the compensation is within fair market value (FMV).

It is critical for the community and healthcare system to employ Pediatric Hematology-Oncology specialists to meet the current and future growing demands. As a safety net hospital, the District is obligated to provide services to meet the community needs.

³ This applies to physician contracts

FINAL FMV REPORT⁴

Date of Final FMV Report: August 23, 2023

FINANCIAL/BUDGETARY IMPACT

The proposed salary is budgeted for FY 24.

JUSTIFICATION

Broward Health has documented and objectively determined there is a legitimate business purpose for the services of a qualified physician to provide clinical services in the medical specialty of Hematology Oncology at Broward Health.

The community needs assessment identifies this specialty as a critical priority with a shortage of (11.8) hematology oncologists needed by 2025 in the Broward Health Medical Center region and (11.3) in the Broward Health Coral Springs region. Recommendations from the Community Needs Assessment suggest that access to care is a priority and specifically a need to enhance access to specialists throughout the service area.

Dr. Garzon will continue to provide pediatric hematology oncology services to meet community and healthcare system needs.

STAFF RECOMMENDATION

Therefore, it is requested that the Board of Commissioners of the North Broward Hospital District authorize the District to renew an employment agreement with compensation above the 90th percentile with Dr. Angelica Garzon to provide pediatric hematology-oncology services at Broward Health Medical Center and Broward Health Coral Springs.
