
MEMORANDUM

TO: Mayor Walker and Councilors
FROM: M McPherson, City Administrator
SUBJECT: **Disband Tree Board**
DATE: April 11, 2022

Background:

Based on research from staff, it appears that the Tree Board was established to address the effect of Dutch Elm Disease on the City's trees. Even when first established, there was very little activity on the part of the Board. The Board has not met in 22 years.

Recommendation:

Given the lack of need evidenced by no activity in 22 years, staff recommends that the City Council move to disband the Tree Board.
