

Princeton Fire & Rescue Dept.

Memorandum

To: Mayor Walker and City Council

Date: 03/31/2022

From: Fire Chief Ron Lawrence

Regarding: Remove Old Equipment

Mayor and Council,

The Executive Board met last week to go through some old equipment that has been in storage for quite some time. After going through several pallets, items were placed in a sell pile or garbage pile. There are a lot of items that may have some sentimental value to our current firefighters. I would like to offer this outdated equipment to our members before we sell or throw away anything. I am asking council approval to accomplish this. Anything with a possible large amount of value, will be sold on an auction soon. Thank you.

I will be present for more information and questions. Thank you.

Ron Lawrence
Fire Chief
Princeton Fire & Rescue Dept.
