

HCC Volunteer Corps Report 5/1/23 to 5/1/24

Hagerstown Community College has a vibrant and successful volunteer program operating on campus. During the last twelve months, we had 428 volunteers take part. These included 152 Regular Volunteers and 276 Student Volunteers. These numbers represent persons whose volunteer hours were tracked by or turned in to the HCC Volunteer Office. We are aware of additional volunteers working on campus, who fail or refuse to report their hours to our office and this is an ongoing concern with underreporting.

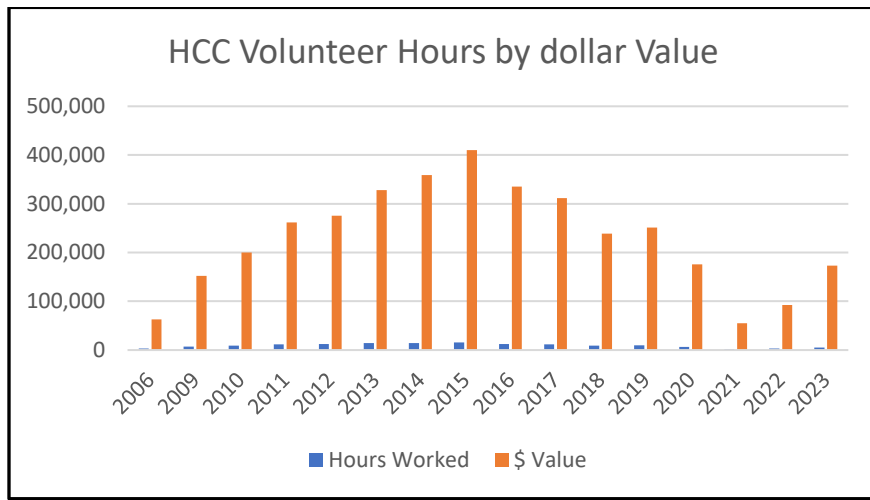

Volunteer categories include: adult, alumni, professional, scholarship students, junior, senior, athletics/coaching, gardens, HCC retirees, special events, and interns

Since the College began tracking hours in 2006 we have recorded 146,942 hours of volunteer service given to HCC. This time has a value (based on the yearly calculated amount given by the Independent Sector of the worth of a volunteer's hour) of \$3,682,718.53 given to HCC.

Regular Volunteers

At present, HCC has a total of 152 active regular volunteers. These include Trustees, Alumni & Foundation Board members, Alumni Association members, community volunteers, and athletic volunteers.

Student Volunteers

Some years ago, the HCC College Advancement Office began a program where each Foundation scholarship recipient must do one volunteer project as part of the agreement to receive their scholarship funds. These jobs are offered and tracked by the HCC Volunteer Office. This year we had 276 students who worked 1,122.50 hours doing projects to assist HCC.

During the last year, both regular and student volunteers helped with College events and programs including the Foundation Tribute Dinner, the Alumni Flower & Garden Show, Earth Day, Day of Caring, College for Kids, Kinder Konzerts, CBES events, Hawktoberfest and the 5K Run, the Athletic Hall of Fame Dinner, the Red, White, and Blue Concerts, the Funky Friday Concerts, the HCC Alumni & Friends Golf Tournament, Radiography student labs, athletic events, the HCC Career Expo, the Fever Concerts, the Alumni & Friends Picnic, working in the Kepler Theater, in the Brish Library, in various offices on Campus and much more.

Students have told College Advancement staff how much they enjoyed volunteering at events and seeing what goes on at HCC. By taking part, they are introduced to ongoing programs at the institution, allowed to see how some of their scholarship funding is raised and to realize that many caring individuals are working to support their success.

Volunteer Perks

This last year, regular volunteers were invited to special campus celebrations. These included: the Alumni & Friends Picnic and the HCC Volunteer’s “There is No Place Like Home For The Holidays” Luncheon. Both events were well attended and volunteers appreciated the fact that we acknowledged their ongoing contributions to Hagerstown Community College.

Goals

In the coming year, we will continue to strive to increase the number of HCC volunteers and attempt to reinvigorate and engage volunteers who may have dropped out during COVID-19.
