Policy Statement

All post-secondary certificate programs, all degree programs, and all high school diploma programs offered within the Colorado Community College System must have the approval of the State Board for Community Colleges and Occupational Education (SBCCOE or Board).

All secondary career and technical education programs must have the approval of the Board, in order to receive federal and state career and technical education funding.

Scope

This policy applies to the Colorado Community College System, including its Colleges (CCCS or System), encompassing all educational entities within the purview of the Board pursuant to state and federal statute and/or the policy of the Colorado Commission on Higher Education (CCHE), and all programs that the Board approves pursuant to its statutory authority.

Procedure

The Chancellor shall promulgate such procedures as may be needed to implement this policy.
