
MEMORANDUM

TO: Mayor Walker and Councilors
FROM: M McPherson, City Administrator
SUBJECT: **Authorize Sale of City Hangar by Sealed Bid**
DATE: May 24, 2022

Background:

The City owns one hangar on the east side of 21st Avenue. It has been used for the storage of Public Safety items, and with the construction of the Public Safety storage building is almost empty.

We have received two inquiries regarding whether the hangar is for sale. Given the interest, staff would like authorization to advertise for sealed bids for purchase of the hangar. The purchaser would be responsible for the cost of removal and relocation of the hangar; we would work with them to have it removed in a reasonable but timely manner.

Recommendation:

Staff recommends that the City Council authorize the sale of the City hangar by sealed bid.
