

Richard Bland College
of WILLIAM & MARY

**RETIREMENT OF LAURA CAMP
INSTRUCTOR OF BIOLOGY AND LAB COORDINATOR**

Ms. Laura Camp joined Richard Bland College in 2013. She obtained her Bachelor of Science degree from the Virginia Polytechnic Institute and State University in 1983. She received a graduate certificate in 2018 and a Master of Science degree in 2021 from Montana State University.

Throughout her eleven-year tenure at Richard Bland College, Ms. Camp upheld the highest standards of service and excellence as a member of the Department of Natural Sciences and Mathematics. Colleagues and students alike deeply valued Ms. Camp's continuous support, encouragement, and reliability. Her calm, professional presence and her inimitable wisdom buoyed countless students and directly contributed to their persistence and retention.

In addition to her extraordinary service to the individual students and colleagues, both "behind the scenes," and in the classroom, Ms. Camp's work ethic and devotion were instrumental to the efficient functioning of the teaching laboratories in biology and chemistry and, indeed, to the smooth operation of the Department of Natural Sciences and Mathematics.

Ms. Camp has left an indelible legacy of service and excellence at Richard Bland College, and her recognition as Faculty Emerita will serve as a testament to her exemplary career.

THEREFORE, BE IT RESOLVED, That the William & Mary Board of Visitors acknowledges the retirement of Ms. Laura Camp on August 10, 2024, and expresses its appreciation to her for the many contributions she has made to Richard Bland College, and approves, with deep gratitude for her 11 years of devoted service to the College, a change in status from Instructor of Biology to Instructor of Biology, Emerita; and

BE IT FURTHER RESOLVED, That this resolution be spread upon the minutes of the Board and a copy delivered to Ms. Laura Camp with best wishes from a grateful Board for her years of dedicated service to Richard Bland College.
