

Dear Student Life & Activities Office,

After nearly a year and a half of unofficially growing the bonds in our community, the Tabletop Gaming Club would like to apply to become an official Iowa Central Community College club. We have grown as a small, tight-knit community of highly-engaged individuals over these past months and would like to expand our reach to others on campus and beyond. With the help of the Student Life & Activities support, we anticipate the addition of campus events such as game nights and other fun activities. We are also looking forward to sponsoring game tournaments and participating in gaming community activities beyond campus.

So, without further ado, we would like to officially apply for the opportunity to become the Tabletop Gaming Club of Iowa Central Community College. Thank you all for your consideration and support.

Such disrespectful behavior includes anything that hurts, threatens, or scares another member, student, or faculty here at Iowa Central or damages/defaces personal or school property. Such disrespectful behavior shall be reviewed by the rest of the group and further actions may be taken if deemed necessary. We do not want to kick people out, but we also want this environment to be a safe one. So, if necessary, we will take action.
