## Memorandum

**To:** Mayor Walker and City Council

**Date:** 04/10/2023

**From:** Fire Chief Ron Lawrence

**Regarding:** Request a price increase for the new tender

Mayor and Council,

I am asking the council to approve an increase to the price of the new tender that was recently approved. The truck committee did its final pre-build with the manufacture last Friday. It was determined that this truck sits higher than our other tenders. I am asking for an increase to purchase a hydraulic lift for the drop tank. I believe that this will help keep the firefighters safer and could help prevent an injury to the firefighters. The price of the increase is \$6,000.00. This could help prevent a workmen's comp claim and an injured firefighter.

I will be present for more information and questions. Thank you.
