
MEMORANDUM

TO: Mayor Walker and the Councilors
FROM: Edward Yost, Technology Services Manager
SUBJECT: **Authorize Mayor Signature**
DATE: April 11, 2023

Background:

The League of Minnesota Cities has recently informed the City of Princeton that the Federal government is working on a policy to limit grant requests and communication to those governmental agencies that are currently using a .GOV domain. The Federal Government has made .GOV domains available, for free, to any local, State and/or Federal Government agency.

To obtain a .GOV domain, the City of Princeton must submit a signed letter of intent to the Federal Government. Per Federal guidelines, our domain will be PRINCETONMN.GOV. This domain will not replace the current PRINCETONMN.ORG but instead will operate in conjunction when applying for grants and other Federal support.

Recommendation:

Staff recommends that the Council authorize the Mayor's signature on the attached letter.
