

# Princeton Fire & Rescue Dept.

## Memorandum

**To:** Mayor Walker and City Council

**Date:** 04/11/2023

**From:** Fire Chief Ron Lawrence

**Regarding:** Mutual Aid Agreement with North Memorial

I am asking for council approval to enter into this agreement with North Memorial to allow students from our EMS training facility to ride with the ambulance as part of their training for EMR and EMT. This agreement is required from the EMSRB (Emergency Medical Regulatory Services Board) to be a training facility.

I will be present for any questions. Thank you.
