

GRANT FUNDING REQUEST FORM

The State of Minnesota prohibits cities from making charitable contributions. But, Princeton's Municipal Liquor Store, Princeton Wine and Spirits (PW&S) is allowed to provide grants for worthwhile community events. Annually, the City Council budgets Liquor Store funds for those types of purposes. Because there are numerous worthwhile causes and it is not possible to fulfill all grant requests, the criteria the City uses to determine how best to allocate the budgeted funds includes, but is not limited to, the following:

1. The requesting group/organization must be located within the 55371-zip code.
2. The mission or goal of the requesting group/organization must benefit individuals who reside within the 55371-zip code.
3. Generally, retail promotions are not eligible for grant funding.
4. Groups/organizations are limited to one grant within a 12-month period.
5. Because funds are limited, the city reserves the right to contribute less than the full amount requested or deny the request due to lack of funds available.
6. The requesting group/organization may not be engaged in political activity.
